LL46 Description

The Leadership Lynchburg Flagship Program is for aspiring or emerging leaders, managers, and first-time supervisors in the Lynchburg region. With full engagement by participants, the curriculum is designed so that attendees walk away with increased self-awareness, leadership acumen and connection with and through the community.

Measurable Outcomes

Upon successful completion of this program, Leadership Lynchburg participants should have:

1. A better understanding of their own leadership skills and where they can apply them immediately.
2. A deeper community awareness and establishment of meaningful connections.
3. Developed collaborative relationships with peers in other organizations and sectors, while learning new approaches to problem solving and uncovering new resources they can call on.
4. Confidence as a leader by working on real-world projects through short term teams with tight time frames and limited resources.
5. Learned effective teamwork and communication and how to accomplish goals and projects through collaborating with others whose backgrounds, skills, beliefs, appearance, and approach are different from their own.

Program Content

This section is an overview of the contents of this program. Additional details will be given at the opening retreat or by emailing Christine or Leighton.

Opening Retreat-MANDATORY

The opening retreat kicks off the 46th Leadership Lynchburg program. All those enrolled in the program are required to attend **both** days. The opening retreat will allow to get to know the rest of the LL46 class and get to know the program and groups you will be interacting with over the course of this program.

Adventure Course

The adventure course is a fun and impactful way to allow the students of the Flagship program to get to know each other. The adventure course will challenge personal fears and anxieties in a safe environment.

Mid-Course Retreat

The mid-course retreat provides a deep dive and practice in public speaking while further helping the class connect through the power of story.

Monthly Half-day Sessions

These monthly sessions are the foundation of this course. The class will meet at different off-site locations and hear from local leaders regarding leadership competencies and emerging regional issues and opportunities. LL46 participants will learn different leadership styles, the community and problems we deal with, and the great things this region has to offer. Students are permitted to miss no more than two sessions or the equivalent in time.

Team Project

The team project allows the participants to apply learning real time. Each group will identify, discuss and form a solution to a problem in the greater Lynchburg region. Participants will meet outside of the regular sessions and should be expected to put in around 30 extra hours between September-May into this project.

Graduation

Graduation brings together all participants, their supervisors/CEO's, community leaders and program staff to celebrate the accomplishments of the class.

Program policies

In general, regular and punctual attendance is expected at all Leadership Lynchburg events. However, at times, students may miss class.

1. Students are not permitted to miss more than two sessions **or** the equivalent number of hours.
2. Students may not miss the opening retreat on **September 16-17 for any reason.**
3. The opening retreat is crucial to this program for foundational learning, the personality debrief and the forming of each team. Students must be an active participant in all sessions, but especially in the group project portion.
 - a. Team project participation will involve meeting and activities outside of regular program sessions and is likely to require 30 or more hours over the course of nine months.
4. Students are expected to interact with other participants and staff with a positive attitude towards the program and the successful completion thereof.
